Associate Executive Director

Order Form Experience Modification Data in CD Format

Please use this order form if you wish to purchase experience modification data in CD format.

The information in the CD is based on a calendar year starting January 1 of each year. The experience modifications are promulgated three months in advance, with the exception of the months in the first quarter. Once the rates for the new year are approved, we process those months individually until current. There will be a CD issued each time a new month is processed. The CD will contain an entire years worth of data from the promulgated month back. (Example: in January the experience modifications for April are processed.)

This data is now only available on a yearly subscription basis effective January of each year at a cost of \$1,740.

Please complete the required information and submit your check payable to **NJCRIB**. Send the order form and check to the following:

**NJCRIB
