EXPERIENCE RATING DATA WORKSHEET ORDER FORM

Use this order form to purchase experience rating data worksheets for a particular risk.

Experience ratings are normally promulgated three months in advance of their effective dates.

The data is available at a cost of \$10.00 for each Experience Rating Data Worksheet requested. A letter of authority from the insured must accompany this request. If coverage for the risk is written through the residual market, a letter of authority is not necessary so long as the requestor seeks such experience rating data in order to place coverage in the voluntary market. Payment must be made by check in advance through an established Bureau Account – cash is not accepted.
