## UNIT STATISTICAL REPORT REQUEST ORDER FORM

Use this order form to purchase unit statistical reports for a particular risk.

Unit Statistical Reports provide payroll and loss information for a specific policy. The cost is \$10.00 per policy year for each risk/Combo ID. If coverage for the risk is written through the residual market, a letter of authority is not necessary so long as the requestor seeks such unit statistical report(s) in order to place coverage in the voluntary market. Payment must be made by check in advance through an established Bureau Account – cash is not accepted.
