PAUL G. WITKO  
Executive Director

November 7, 2018

## **CIRCULAR LETTER #1952**

**To: All Bureau Members**

**Re: CRIB Data Vault**

In furtherance of its updated mission to more fully meet the needs of its members, the Rating Bureau is pleased to unveil the Data Vault, an analytics search tool that allows carriers to compare statewide benchmarks with their own unit statistical data. The Data Vault enables users to sort, filter and group data in a secure environment. Users can create custom dashboards that meet specific business needs, share those dashboards with fellow employees, and print reports using several different types of charts. In addition, data can be readily exported in multiple formats. The Data Vault was designed for use by all carrier employees, from underwriter to actuary to executive.

Users must be registered in order to utilize the Data Vault. To register, or if you have any other questions, please email [thevault@njcrib.com](mailto:thevault@njcrib.com) or call Robert Luis (x228).

After you have registered to become a Data Vault user, the Rating Bureau encourages members to “Open the Vault” at our website by clicking [here](#) or by accessing the [Single Sign On](#) connection at the Compensation Data Exchange website.

A handwritten signature in black ink that reads "Paul G. Witko". The signature is written in a cursive, flowing style.
