CIRCULAR LETTER #1973

To: All Bureau Members

Re: New Manage Ownership Platform – Carrier Contact Information

The Rating Bureau plans to unveil a new, online Manage Ownership platform in January 2020. The new system requires that users submit an ERM-14 Form electronically, with all follow-up communications to be conducted via email. To ensure a smooth transition, the Bureau needs contact information from all members, including an email address, for ownership-related communications.

Click [here](#) to access the Manage Ownership Carrier Contact Information Form, **which must be completed and emailed to the Bureau at mailing_instructions@njcrib.com no later than December 6, 2019.**

If you have any questions regarding the submission and completion of the carrier contact information form, please contact Cindy Springer at (973) 622-6014 x260.
