## **ADVISORY BULLETIN #73**

### **New CRIB Email Address for Stakeholder Correspondence**

In order to facilitate communication during the coronavirus pandemic, the Rating Bureau has created a new email address (RemoteCRIB@njcrib.com) that members, employees, employers, agents, and all stakeholders may use to contact NJCRIB in lieu of regular USPS mail or phone calls. This email will be temporary, can be used for any type of question you may have, and is intended to provide a timelier response while the Bureau's offices are closed.

In addition, all online products and services remain available, including the Workers Compensation Inquiry Portal through which Class, Audit, and Single Entity Ownership Submissions can also be sent.

We encourage all stakeholders to use the new email address.
