## **ADVISORY BULLETIN #81**

### **Extension of COVID-19 Related Premium Adjustments**

Due to the continuing impact of the COVID-19 pandemic on New Jersey employers, the Rating Bureau has extended the premium reduction pricing elements available in the New Jersey Workers Compensation and Employers Liability Insurance Manual ("Manual") which were set to expire on December 31, 2020.

These provisions, announced in [Manual Amendment Bulletin #500](#), amend Sections 3:3-25(e); 3:3-35(e); 3:10C-3; and 3:14-8(13F) and pertain to the use of code 8810 for home clerical duties; the exclusion of payroll where no related services have been rendered; an increase of the available Schedule Rating Plan credit to 35%; and a permitted reduction of the Plan Premium Adjustment Program factor by 10 points, respectively.

These premium adjustment options will now remain in effect through **April 30, 2021**.
