ADVISORY BULLETIN #83

NJCRIB Website Ownership Submissions - FAQ

As announced in [Advisory Bulletin #68](#), ownership information must be submitted to the Rating Bureau electronically through the Manage Ownership platform or, for Single Entity Ownership submissions, via the Workers Comp Inquiry Portal at www.njcrib.com.

Common questions have been raised from users of these systems with regard to the completion of ownership within these applications. In an effort to facilitate the submission of ownership and to enhance the user experience, the Rating Bureau has added an FAQ tab on the Ownership home page. The FAQ tab addresses recurrent questions and answers; complements the Helpful Videos option on the Ownership page; and can be found [here](#).

If you have any questions regarding NJCRIB Website Ownership Submissions – FAQ, contact Alan Zwerling at ext. 299. If you have any technical issues, contact web.support@njcrib.com.
