After a nationwide search, the Governing Committee is pleased to announce the appointment of Bonnie Piacentino as Executive Director Elect. Bonnie will join the Bureau in August and will succeed Paul Witko as Executive Director following his retirement on December 31, 2022.

Bonnie is a highly respected thought leader in the workers' compensation industry with over 30 years of experience with the Pennsylvania/Delaware Rating Bureaus. She graduated from Penn State University with a Bachelor's Degree in economics, earned the Workers' Compensation Professional designation, and serves on several industry boards in leadership roles.

Bonnie has extensive experience in all facets of Bureau operations, with management responsibilities in the actuarial, data reporting and IT departments. She has served as COO and Senior VP of the PA/DE Bureaus since 2015. In that role, Bonnie developed and implemented organizational strategy, and managed the day-to-day administrative and operational functions of the bureaus. Her background and experience will help ensure the continued success of the NJ Rating Bureau to the benefit of all stakeholders.

Please join me in congratulating Bonnie and welcoming her to NJCRIB.
